

# THANK YOU

BETTER COMMUNITIES BIGGER DREAMS BRIGHTER FUTURES

On behalf of all Kansans, thank you for dedicating your time to mentor and for sharing in the dream of a bright future for every Kansas youth. Your gifts of listening and caring guidance are truly invaluable. We applaud you for your energy and enthusiasm in helping to provide a strong foundation of support for the young people of our state.

As we celebrate your service during January's Mentoring Month, we encourage you to join in the conversation by sharing your mentoring story. Maybe it's a connection with a family member, neighbor or co-worker. Whoever it may be, your personal experience can be a powerful tool in encouraging more Kansans to get involved with our state's mentoring efforts. We look forward to working with you in 2012!

With gratitude,

Bill Snyder

*Co-Chair, Kansas Mentors*
